**RANGE NOTE:** We are pleased to offer you an opportunity to join the Illinois State Rifle Association and the ISRA Shooting Range located near Kankakee, Illinois. You may choose from an individual or family membership. Each shooting family member must have a valid FOID card and must be a member of the ISRA. The ISRA and the ISRA Range are separate entities and require separate membership dues. Also note that a one-time $80 initiation fee is included in all new ISRA Range memberships. Once your ISRA Range membership application is accepted, you will receive a complete set of Range Rules & Regulations, including match schedules, leagues, and other pertinent information regarding the shooting ranges. All ISRA Range and safety rules are strictly enforced. While on the ISRA Range, all individuals must follow those safety rules — failure to do so will result in membership revocation.
**Your acceptance is subject to a ceiling on the maximum number of range memberships.**

**ISRA NOTE:** Individual Memberships are available to persons 19 and above. Family memberships are limited to spouse and children under 18 living at home. Children in college will be included until age 23. Only one newsletter per family membership. Family memberships carry only one vote in Director and Officer elections and any matters that may come before the membership during meetings of the members as provided for in the ISRA Bylaws. That single vote is cast by the Primary Member listed above. Where the spouse desires to vote in the above mentioned instances, the spouse should apply for individual membership.
**ISRA Dues and donations to the ISRA are not tax deductible.**
